

# Environmental Policy Statement

## 1. General Statement:

Bunzl Retail Supplies is a professional and environmentally conscious organisation which acknowledges the impact that our operations may potentially have on the environment.

## 2. Aims and Objectives:

The organisation fully commits to:

- Protect the environment
- Determine compliance obligations and ensure operations are completed in accordance with them
- Continually improve the environmental management system to enhance environmental performance
- Implement and maintain an environmental management system that is compliant with ISO 14001: 2015
- Allocate suitable and sufficient resources which enable the company to achieve its environmental aims and objectives
- Prevent pollution, reduce waste and carbon emissions
- Consider the effects that our operations may have on the local community
- Take action to eliminate or reduce, as far as practicable, any potential risk to the environment
- Promote environmental awareness amongst our suppliers, contractors and partners by the implementation of operational procedures
- Complete internal audits and follow a path of continual improvement
- Ensure employees are fully engaged in the management of environmental issues
- Seek to work in partnership with the community by behaving in a considerate and socially responsible manner
- Ensure effective and expedient incident control, investigation and reporting
- Assess and address the risks and opportunities related to Bunzl Retail Supplies operations
- Consider the external and Internal expectations of interested parties
- Acknowledging the importance of being responsible, sustainable and ethical in order to meet our present environmental needs and to drive improvements to ensure we leave a better environment for future generations

Directors, Management and Supervisory staff have responsibilities for the communication and implementation of the policy and must ensure that environmental issues are given adequate consideration in the planning and day-to-day operations. All employees and subcontractors are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own work, so far as reasonably practicable, is carried out without risk to themselves or others.

This Policy will be communicated to all staff, contractors and suppliers, and be available to the public through selected media.
